

Tennis Hot Shots – Holiday Programme in Gore

The Tennis Hot Shots programme provides a consistent, fun and safe tennis experience for primary aged kids. The key philosophies of the programme are:

1. Learning through play – children learn the game of tennis, rather than just the isolated skills.
2. Scaled equipment – smaller courts, racquets and low-compression balls.
3. Progressive pathway – children can move through the four stages as their tennis improves

Three Hot Shots Days held around Southland will provide a fun day for children to learn about Tennis while improving their skills:
